**Supplemental Amendment**

Sir,

In recent telephone discussion with Examiner Swartz, he indicated that it would be helpful to expedite prosecution of this case possibly leading to prompt allowance if a declaration under 37CFR 132 were submitted showing the efficacy of the method claimed herein.

Applicant is pleased to submit herewith such a declaration. This declaration sets forth not only an experiment showing such efficacy, but also applicants professional qualifications as an established and published researcher in this field. Abstracts of 5 of applicant's papers on this general subject are attached thereto and made part thereof.

In view of the accompanying Declaration, prompt passage to issue is respectfully requested.

Respectfully Submitted

The Behr Office
